"Thus," says the writer of the Charles Follen, in '36. It is imposs

a generic.

It was his devotion to this principle that made him oppose the first movement of birotty and tyrnany in the
Auti-Slavery rands, and take part against those withe considered as operations. He saw the approaches of
a truly pro-Slavery spirit in the offert to exclude woman
from voites, in the shameless purpose to "throw Garriton overhoatify" as the phraze was, be, the tree aposite of son overhoard," as the phrase was, he, the i freedom in our land, with whom it was a glory to lahour. And why did they wish to rison? It was because he was faithful it would not bend the knee to clerical, or as:
